AMEND Senate Bill No. 1331

House Bill No. 1204*

by deleting SECTION 1 of the bill as amended and by substituting instead the following:

SECTION 1. Notwithstanding any law to the contrary, any water quality criterion for fish and aquatic life established for selenium shall meet or exceed the recommended national criterion established by the United States Environmental Protection Agency at Volume 69, Federal Register No. 242, Friday, December 17, 2004, or as subsequently modified by such agency.
